

AUBURN PARKS, ARTS & RECREATION

Welcome & Introduction

Revised 4/09

On behalf of the City of Auburn, we would like to welcome you to the Auburn Parks, Arts & Recreation Adult Softball program. We hope this program provides you and your teammates with opportunities to pursue your health, fitness and competitive goals.

Auburn Parks, Arts & Recreation strives to offer superior programs for the Auburn Community. Adult Softball is one of the largest programs offered by Parks, Arts & Recreation. The rules contained in this rule book are for the good of the overall softball program. Coaches and players are encouraged to give input on league rules and format. Most of the rules in this book have come about through suggestions from coaches and players. At the end of each season we hold a meeting to discuss possible rule changes and how the previous season ran. If there is significant support for a rule change we will then include that rule change on the survey to all of the coaches to vote. If you have questions or comments please feel free to contact the league coordinator.

Auburn Parks, Arts & Recreation

ADULT SOFTBALL RULES & GUIDELINES

All games will be governed by the Official Amateur Softball Association (ASA) Rule Book, in conjunction with the following supplemental league rules. **If the following league rules contradict rules in the ASA Rule Book, Auburn Parks, Arts & Recreation rules will be used.**

I. REGISTRATION & ELIGIBILITY

- A. All league business will be conducted by the coach/assistant coach only.
- B. Teams will be accepted into the Auburn Parks, Arts & Recreation Adult Softball league upon receipt of league fees and completed roster forms from a minimum of 10 players.
- C. Team will be charged an entry fee that covers the cost of umpires, scorekeepers, field maintenance, lights, association dues, game balls and administration. Included in the team fee is a charge for player fees to fund capital improvement projects and non-resident fees. The team entry fees are required by the registration deadline. Regular Season Fees are based on a 12-16 game season for men's and women's and 14 games for coed American and national leagues and 10 games for coed continental leagues, extended season fees are based on 12 games for all leagues.
- D. Priority System:
In order to provide a quality program, we have set a maximum limit on the number of teams allowed to play on Auburn Parks, Arts & Recreation facilities each year. It is also very important that services be provided, first, to the Auburn Community. Therefore, a priority system has been established to allow teams into league play. Proof a residency/employment must be submitted with league fees and rosters.
Priority #1 –Returning teams with over 50% of players from previous year's roster. New teams with Over 50% of the players reside within the incorporated Auburn City limits.
Priority #2 – All teams that do not meet the above criteria. If necessary team will most Auburn residents will be placed first.
- E. An Auburn Resident is defined as any person who resides or owns property within the incorporated Auburn City Limits (some Auburn addresses are not within the incorporated city limits).
- F. Falsification of the above information is grounds for expulsion from the league without refund.
- G. A team which fails to submit a completed roster (Minimum 10 players with signatures), by the established registration deadline, will not qualify for Returning Team or New Resident team status.
- H. **All players must be 18 years old to be eligible to participate.**

- I. All player information must be completed and the player and coach/assistant coach must sign the roster addition form. It must be received by the office prior to player being eligible to participate. Faxed player additions will be normally processed the next business day. If you have questions about player eligibility please call the office. Players not on the roster who participate in a game will cause that team to forfeit said game.
- J. In the event of team/player eligibility questions the Team Coach/Assistant Coach/Player is responsible to supply proof of team roster and player additions (e.g. carbon copy of roster/player add form with stamped date received or preprinted roster from Auburn Parks, Arts & Recreation).
- K. A team shall not have more than 20 players listed on the roster at any one time.
- L. Players may play on more than one Auburn Parks, Arts & Recreation registered team. No accommodations will be made for teams that may have games at the same time.
- M. A player may transfer from one team to another but must first fill out a drop form and then fill out another add form that must be signed by the coach of the team to which he/she would be added.
- N. **No players may be added/transferred** to teams after **the third Monday of May** (Regular Season) or the second Monday of August (Extended Season).
- O. All players will be required to carry picture ID (e.g. driver's license or state ID card). Players must be able to produce ID if requested by game official, scorekeeper or league coordinator. If a player's identity is questioned and proper identification is not produced, that player will be removed from the game. That player will then be required to sign the official score sheet.
